#### 2. COMPOSITION/INFORMATION ON REGULATED INGREDIENTS

| Components        | CAS-No.    | Weight % |
|-------------------|------------|----------|
| Silica, amorphous | 7631-86-9  | 1 - 5    |
| Titanium dioxide  | 13463-67-7 | 10 - 30  |

#### **3. HAZARDS IDENTIFICATION**

#### **EMERGENCY OVERVIEW**

This mixture has not been evaluated as a whole. Information provided on the health effects of this product is based on individual components. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some vapors may be released upon heating and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect employees from exposure.

#### POTENTIAL HEALTH EFFECTS

| <b>Routes of Exposure:</b>                    | : Inhalation, Ingestion, Skin contact                                                                                                                                                                                             |
|-----------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Acute exposure                                |                                                                                                                                                                                                                                   |
| Inhalation<br>Ingestion<br>Eyes               | <ul> <li>Resin particles, like other inert materials, can be mechanically irritating.</li> <li>May be harmful if swallowed.</li> <li>Resin particles, like other inert materials, are mechanically irritating to eyes.</li> </ul> |
| Skin                                          | : Experience shows no unusual dermatitis hazard from routine handling.                                                                                                                                                            |
| Chronic exposure                              | : Refer to Section 11 for Toxicological Information.                                                                                                                                                                              |
| Medical Conditions<br>Aggravated by Exposure: | : None known.                                                                                                                                                                                                                     |

# MATERIAL SAFETY DATA SHEET **PG 63892.00 GY PE**

Version Number 1.0 Revision Date 01/12/2005 Page 2 of 6 Print Date 11/16/2011

|                                                                                                                                | 4. FIRST AID MEASURES                                                                                                                                                                                                                        |
|--------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inhalation                                                                                                                     | : Move to fresh air in case of accidental inhalation of fumes from overheating or combustion. When symptoms persist or in all cases of doubt seek medical advice.                                                                            |
| Ingestion                                                                                                                      | : Do not induce vomiting without medical advice. When symptoms persist or in all cases of doubt seek medical advice.                                                                                                                         |
| Eyes                                                                                                                           | : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, seek medical attention.                                                                                               |
| Skin                                                                                                                           | : Wash off with soap and plenty of water. If skin irritation persists see medical attention.                                                                                                                                                 |
|                                                                                                                                | 5. FIRE-FIGHTING MEASURES                                                                                                                                                                                                                    |

### MATERIAL SAFETY DATA SHEET PG 63892.00 GY PE

Version Number 1.0 Revision Date 01/12/2005 decomposition, do not overheat. **Incompatible Materials** Incompatible with strong acids and oxidizing agents. : Hazardous decomposition : Carbon dioxide (CO2), carbon monoxide (CO), oxides of nitrogen products (NOx), other hazardous materials, and smoke are all possible. **11. TOXICOLOGICAL INFORMATION** This mixture has not been evaluated as a whole for health effects. Exposure effects listed are based on existing health data for the individual components which comprise the mixture. Toxicity Overview This product contains the following components which in their pure form have the following characteristics: CAS-No. Chemical Name Effect 7631-86-9 Silica, amorphous Irritant Eyes, Respiratory system. 13463-67-7 Titanium dioxide Systemic effects Respiratory system. **12. ECOLOGICAL INFORMATION** 

| Persistence and degradability       : Not readily biodegradable.         Environmental Toxicity       : Chemicals are not readily available as they are bound within the polymer matrix.         Bioaccumulation Potential       : Chemicals are not readily available as they are bound within the polymer matrix.         Additional advice       : No data available         Image: Product       : No data available         Product       : Like most thermoplastic plastics the product can be recycled. Where possible recycling is preferred to disposal or incineration. The generator of waste material has the responsibility for proper waste classification, transportation and disposal in accordance with applicable federal, state/provincial and local regulations.         Contaminated packaging       : Recycling is preferred when possible. The generator of waste material has the responsibility for proper waste classification, transportation and disposal in accordance with applicable federal, state/provincial and local regulations.         U.S. DOT Classification       : Not regulated for transportation.         ICAO/IATA (air)       : Refer to specific regulation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                               |    |                                                                                                                                                                                                           |
